MP2001000G-01	MatchPort b/g Wireless Device Server w/o Top Cover, COBOS, BULK

Lantronix is unable to acquire a critical component used in the MatchPort b/g and there is no commercially viable alternative.

### **Last Time Buy (as stated in PCN-294)**

The deadline for placing a final non-cancellable, non-returnable purchase order is **October 30, 2015**, with a scheduled delivery no later than **April 29, 2016** (availability subject to stock on hand).

### **Last Day of Support**

The last day of support for the MatchPort b/g is **April 30, 2018**.

### **Lantronix xPico Wi-Fi as an Alternative**

Lantronix will not be offering a footprint compatible alternative to MatchPort b/g. However Lantronix xPico Wi-Fi Wi-Fi IoT Module is available as a potential solution based on customer integration requirements.

Lantronix will endeavor to assist those affected by this change in the following ways:

- 1) Provide design and documentation (schematics, layout, etc.) for using **xPico Wi-Fi** within the MatchPort footprint for customers that want to stay with the MatchPort hardware footprint
- 3) Provide assistance to customers via Lantronix Professional Services to transition their designs to **xPico Wi-Fi** or utilize the MatchPort footprint to integrate xPico Wi-Fi

If you have any questions, please contact your sales representative or Lantronix Technical Support at (800) 422-7044 or (949) 453-7198.
