## PRODUCT PHASE-OUT NOTICE

Dear Valued Lantronix Customer,

The purpose of this communication is to inform you that Lantronix is phasing out the following product effective immediately. Lantronix will continue to accept non-cancellable, non-returnable orders with availability subject to stock on hand.

The last day of support for this product will coincide with the end of the warranty period.

### Product Affected

Part Number	Description
XSDR22W00-01	XPress DR+ Wireless 2-Port Industrial Device Server, Removable Screw Terminal Port, 9-30VDC and 9-24VAC

There is no direct replacement for this product. However, the XPress DR+ (wired version) XSDR22000-01 will continue to be available.

If you have any questions, please contact your sales representative or Lantronix Technical Support at (800) 422-7044 or (949) 453-7198.
