PRODUCT CHANGE NOTICE

Dear Valued Lantronix Customer,

The purpose of this notice is to inform you about a change to many of our Device Servers including both Embedded products and Box level products.

Description of Change

The products in the following table have recently been updated to replace a key component that has been discontinued. For quality purposes, the revision has been changed to differentiate the products from the previous units.

Differences (Old/New)

Embedded products

Product Part Number	Old	New
CM-SNL	D15	D16
CM-E2-0000B	D11	D12

UDS-10-NL-02	E12	E13
UDS-10B	D11	D12
UDS-10B-IAP	A11	A12

Additional Information

The Central Processing Unit (CPU) on these products from AMD has gone end of life and production of new parts from AMD has been completed. These products now use an Innovasic replacement CPU which is pin and function compatible with the AMD device. Lantronix engineering and quality teams have successfully tested the device in our applications and have found the Innovasic device to be an acceptable replacement.

If you have any questions, please contact your sales representative or Lantronix Customer Support at (866) 649-0721 or (949) 453-3990 x342.
