Important Product Announcement

Dear Valued Lantronix Customer,

Effective immediately, the UBox 4100 products have been replaced by RoHS compliant versions. There was no design change made to the UBox 4100, only conversion to RoHS compliant raw materials. The new RoHS version of the UBox 4100 is form-fit-function the same as the previous UBox 4100.

For quality and tracking purposes, Lantronix has changed the part numbers as follows:

Old Part No.	New RoHS Equivalent	Description
UB4100001-01	UB4100001-02	4 port USB Device Server - US 115 VAC
UB4100002-01	UB4100002-02	4 port USB Device Server - European 100-240 VAC
UB4100003-01	UB4100003-02	4 port USB Device Server - UK 100-240 VAC

PRICING: The pricing for the UBox 4100 RoHS is the same as your previous UBox 4100 pricing.

RoHS BACKGROUND INFORMATION:

Feature/Enhancement	RoHS Description
RoHS-Compliance	Mandated by the European Parliament and Council of the European Union, RoHS (Restriction on Hazardous Substances) requires that manufacturers reduce the usage of hazardous substances including lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls, or polybrominated diphenyl in electrical and electronic equipment by July 2006.

If you have any questions, please contact your sales representative or Lantronix Customer Support at (866) 649-0721 or (949) 453-3990 x342.
