PRODUCT CHANGE NOTICE
XPort Modbus 2.40

Dear Valued Lantronix Customer,

Lantronix is pleased to announce the launch of the updated XPort Modbus firmware, version 2.40. Effective September 2008, firmware version 2.40 will begin shipping on the XPort Modbus products listed in the table below.

With this update the TCP stack buffer has been adjusted to allow for the proper overflow.

For tracking purposes only, Lantronix has changed the revision number from **B13 to C13**.

WiPort Part Numbers	Description	Current Revision	New Revision with firmware 2.40
XP1001000M-03R	XPort XE RoHS Extended Temperature, with MODBUS	B13	C13

All future shipments you receive will be the XP1001000M-03R revision product.

If you have any questions, please contact your Lantronix Sales Representative or Lantronix Customer Support at (866) 649-0721 or (949) 453-3990 x342.
