## PRODUCT CHANGE NOTICE MatchPort® b/g

Dear Valued Lantronix Customer,

Lantronix will be launching the updated and improved version 6.6 MatchPort b/g firmware. Effective Sept/Oct 2008, firmware version 6.6.0.0 and Web Manager version 1.7.0.0 will begin shipping on the MatchPort b/g products listed in the table below. This new firmware version offers several new features, including:

**Soft AP Roaming**

- SmartRoam™ technology takes a proactive approach in transfer of connectivity from one Access Point to another Access Point belonging to the same ESS (i.e. having the same SSID or Network Name).

**DNS lookup in Connect Mode**

- Allows the name of a remote machine to be resolved automatically.

**Expanded Monitor Mode commands 'NC' and 'co' to include name server IP address**

- Shows the unit's current IP address, gateway, subnet mask, and DNS server.

In addition to the new features we have also added China RoHS and WEEE labeling to the MatchPort b/g.

For quality and tracking purposes, the manufacturing revision numbers on the product label will be changed. New revision numbers are also listed in the table.

MatchPort b/g Part Numbers	Description	Current Revision	New Revision with Firmware 6.6.0.0
MP1001000G-01	MatchPort b/g bulk pack	B15	C16
MP1002000G-01	MatchPort b/g bulk AES Encryption	B15	C16
MP100200SG-01	Standard MatchPort b/g Sample Unit	B15	C16

**SCHEDULE:** The revised products will begin shipping Sept/Oct 2008.

**PRICING:** The pricing for all MatchPort b/g products will remain the same as your current pricing. If you have any questions, please contact your sales representative or Lantronix Customer Support at (866) 649-0721 or (949) 453-3990 x342.
