## PRODUCT CHANGE NOTICE SLB/SLC Firmware Version 5.4

Dear Valued Lantronix Customer,

Lantronix is pleased to announce availability of updated firmware for the SecureLinx SLB Branch Office Manager and the SLC Console Manager products. This release is being delivered as an electronic download only.

<b>Model</b>	<b>Description</b>
SLB	SLB Branch Office Manager, (8 serial, 8 Ethernet, 4 power ports)
SLC	SLC Console Manager: 8/16/32/48 ports, Single AC, Dual AC and Dual DC

### UPDATE HIGHLIGHTS

Feature/Enhancement	Description and Benefit
CLI Batch Scripting	CLI Batch Scripting allows a user to create a named list of CLI commands that, when invoked, the script executes all of the CLI commands in the list.
Ethernet Bonding	Redundancy and load balancing for Ethernet 1 and Ethernet 2 has been added.
Custom User Menu and Dial-back Number for Remote Users	A custom user menu and dial-back number can be specified for each remote user and each remote authentication method.
User Attributes from LDAP schema	Remote user attributes (group/permissions and port access) can be obtained from an Active Directory server's schema via the user attribute "secureLinxSLCPerms". This attribute is a set of parameter-value pairs. Each parameter and value is separated by a space, and a space separates each parameter-value pair.
PPP Dial-back	PPP Dial-back is now supported for external modems connected to a Device Port and all types of PC Card modems. This includes acting as a Callback Client Protocol (CBCP) server and client. CBCP is used by Microsoft PPP peers to negotiate callback options.

### UPDATE AVAILABILITY

Customers with existing SLBs, SLCs, electing to take advantage of the new features and capabilities of the v5.4 firmware, may upgrade their units at no additional charge. An upgrade patch, installation instructions, and release notes will be available on **January 18, 2010** from the Lantronix web site at: <http://www.lantronix.com/support/downloads.html>

If you have any questions, please contact your sales representative or Lantronix Customer Support at (866) 649-0721 or (949) 453-3990 x342.
