PRODUCT CHANGE NOTICE

Dear Valued Lantronix Customer,

The purpose of this communication is to inform you that the SecureLinx SLM and the ManageLinx DSM are now shipping with an increased RAM size of 2GB. Previous versions of the SLM and DSM shipped with 512MB of RAM. The increase in RAM size will help facilitate future firmware enhancements to support new features. For tracking purposes, please follow the table listed below for revision history.

Part Number	Description	Previous Revision	Current Revision with 2GB of RAM
SLM25612N-02	SecureLinx Management Appliance	G16	G17
DSM200002-01	ManageLinx DSM (Device Services Manager)	D14	D15

SCHEDULE: The revised products will begin shipping immediately.

If you have any questions, please contact your sales representative or Lantronix Customer Support at (866) 649-0721.
