LANTRONIX

PRODUCT DISCONTINUATION NOTICE

Dear Valued Lantronix Customer,

The purpose of this communication is to inform you that Lantronix is announcing the end-of-sale and end-of-life for the SLC-03 Secure Console Manager product. The last day for placing a final non-cancellable, non-returnable purchase order for the affected product(s) is September 30, 2016 with a scheduled delivery no later than December 31, 2016 (availability subject to stock on hand).

Please refer to the Table 1 below for the various end-of-life milestones, definitions and dates for the affected product(s). For customers with active and paid support contracts, support will be available under the terms and conditions of the customer's service contract.

Table 1: End-of-Life Milestones and Dates

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to everyone.	May 26, 2016
End-of-Sale Date	The last date to order the product through Lantronix and its partners. The product is no longer available for sale after this date.	September 30, 2016
Last Ship Date: Hardware	The last possible ship date that can be requested of Lantronix. Actual ship date is dependent on lead time.	December 31, 2016
Last Date of Warranty Support	The last date to receive applicable service and technical support for the product as entitled by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	December 31, 2018
End of Software Maintenance Release Date	The last date that Lantronix may release any final software maintenance releases or bug fixes. After this date, Lantronix will no longer develop, repair, maintain or test the product software	February 28, 2017

SLC-03 is being replaced by the new SLC 8000 product family of Advanced Module Console Managers. With a high performance architecture, support for modular USB and/or Serial console ports, integration with smart PDUs and FIPS 140-2 Level 1 compliant advanced security profile, SLC 8000 product family is the trusted solution for many organizations ranging from small businesses to Fortune 500 companies.

Please refer to the Tables 2, 3 and 4 below for the product part numbers affected by this announcement and their corresponding replacement part numbers from the SLC 8000 product family.
